5 The present proposal of the Director is to confirm Mr. Bopa in the vacancy of Mr. Palankar and to treat Mr. Govinda Rao as S.P.T. Vice Mr. Bopa, O.O.D. in the Forest Deptt.

6 This proposal is not in order in the circumstance stated ~~below~~ below:-

By G.O. No. D 5-446-47 C.V. 68-352-6 dated 6/3/36, the supernumerary post of Asst Deptt, C.V.D. working in the Silk Deptt was made permanent by raising the cadre of permanent Asst Deptt from four to five, the sanctioned strength of 12th grade retaining Supernumeraries being reduced by one and Mr. N.R. Subsequently in F.O. No 9. 16 5-6-37 (file 103-36-8 dated 19/8/37 it was directed

(1) that the post of Asst Supdt in the Military Depdt be abolished as there is not sufficient work

& (2) that Mr. N.R. Srinivasa Iyengar be in charge of the veterinary work in the Mysore Lancers during the period of attachment of Mr. Jayarathna to the Military Hospital at ~~Secunderabad~~ Secunderabad for three months and reverted thereafter to the C.V.D. He was also stated therein that separate orders will issue regarding the number of Officers to form the Cadre of Asst Supdts of the C.V.D. on the reversion of Mr. Srinivasa Iyengar to that Depdt.

7 It has been ascertained that Mr. Srinivasa Iyengar has reverted to the C.V.D. & is on leave for one month. He is senior to Mr Bopa & has to be appointed in place of Mr Palankar, retired, as there is no other permanent vacancy in the Depdt. In this case Messrs Bopa and

Govinda Rao have to go back to their original place as Veterinary Inspectors. On this circumstance the Dir's proposal to confirm Mr. Bapu is not in order.

2 The question of retention of the Cadre of Asst Supdts at five as heretofore and the confirmation of Mr. K. Ranganatha Rao as Asst Supdt is being considered in the linked file (3791) C.V.49-37-1.

3 The following points are suggested for consideration & orders:—

(1) Appointment of Mr. N. R. Srinivasa Iyengar who has reverted to the C.V.D. in place of Mr. Palankar

& (2) the retention of the Cadre of Asst Supdts at 5 instead of reducing it to 4 and confirmation of Mr. K. Ranganatha Rao in the post held by him.

The post so retained, the sanctioned strength of 12 Asst Supdts will not involve

extra cost to Govt.

No RoC 15-33-Bdl-324/36-37 dated 4/4/38
Furnishes the information called for in serial 2 above.

16 The proposals of the Director are.
(1), to confirm Mr. S.R. Bapu in the Vacancy of Mr. Palankar, retired, and
(2), to absorb Mr. N.R. Srinivasa Iyengar

who has reverted from the Military deptt in a new post to be created for the proposed Bangalore Division.

17 The points requiring consideration are as follows:-

(1) The proposal to confirm Mr. Bopaiah in the vacancy of Mr. Palankar in preference to Mr. Srinivasa Iyengar seems to be not in order. The vacancy pointed out by the Director for Mr. Srinivasa Iyengar is not a vacancy caused in the regular sanctioned scale but a new appointment proposed to be created. In his U.O. Note No R.V.C. 1502-Est-318736-37 dated 18/1/37, the Dir who was consulted stated that Mr. Srinivasa Iyengar, when he reverted to the C.V.D., would be absorbed in the appointment proposed for the new Division. At that time, Mr. Palankar was in service & there was no idea of relieving him compulsorily. (This was not contemplated at the time.) Hence as there was no vacancy, the Dir proposed to absorb Mr. Srinivasa Iyengar in the

new appointment. (Point in the meantime the proposal to constitute a new Division was ordered to lie over). This cannot be taken to mean that Govt had recognized the need for one extra division as stated by the Supdt, C.V.D, although the G.O. Note referred to above was read in the preamble of G.O. No f. 1654-57 Fdly 103-36-8 d 18/8/37. Further the constitution of a new division depends upon the conditions of the finances. It will take sometime for Govt to come to a decision. Hence the absorption of Mr. Srinivasa Iyengar cannot be postponed. for He is a permanent Assistant Supdt and is senior to Mr. Bopu (vide the graduation / Civil list) who is only a temporary Asst Supdt. The only permanent vacancy available in the sanctioned scale is that of Mr. Palanthar. It seems to be more appropriate to absorb first Mr. Srinivasa Iyengar in this vacancy from the date of his reversion to the C.V.D. From that date Bopu Mr. Bopu has no place like the proposed

K

NOTE—Contn. Sheet.

WD 0294—GPB—30,000—13-8-37

new appointment is sanctioned. If the Forest Deptt is willing to raise the status of the relieving Inspector's post to that of Asst Supdt like the occurrence of next vacancy in the C.V.D (bearing the extra cost, if any, itself), then Mr. Begum can be confirmed as Asst Supdt. In this case the Chief Conservator of Forests has to be consulted. The above points are for orders.

18 (2) Constitution of a new Division

No Case seems to have been made out for this proposal. In his letter No Roc 221/Bud 1/36-37 dated 25/5/37, the Divisl Officer definitely stated that the Assistant Supdt in charge of dividing (have not the appointed) work & that he was not in favour of constituting an extra division. Whether the district work has appreciably increased since the above statement was made is not known. Statistics regarding the increase of work in each division for the past five or six years pointing out the necessity for the new division

are not given. It looks as if the Dir proposes the creation of a new division with the express object of ~~absorbing Engrs~~ absorbing the superfluous hand. As regards financial position it is stated that "There will only be comparative increase and decrease under major heads Agriculture 27 (4) & Building respectively but there will be no increase in expenditure in the general budget." It is proposed to retain in another cadre the cadre of permanent Assistant Supdts as hitherto at five and to make the post held by Mr. Ramanatha Rao permanent against the last appointment. (vide limited file 39713 & para 8 above). In this case the proposal to constitute a new division will involve extra cost to Govt. The proposal as it has to be sent to the Comptroller for scrutiny. Whether further details may be called for from the Dir is for orders.

19 3, There is another proposal to confirm Mr. Ramanatha Rao who continues to be supernumerary for a

long time. The suggestions contained in the linked file & para 8 above are also for orders. It was suggested by the Jail Sup. that the question of his confirmation may be taken up at the end of June 1938 when the Govt sanction ceases.

22 The vacancy caused by the retirement of Dr. Palanka has not been filled up by the absorption of Dr Smith owing to a permanent arrangement in which the officer he helped when he was retrenched.

23 The question really now considered now is whether there are any reasons for separating the Mysore Valley division under the Bangalore and Mysore Districts. Unfortunately during a short period the Dr Asst (present) has expressed different views. But the 1st Dr had recommended such a separation and the present Dr had also now recommended it. Mysore is a heavy charge

and the of work (the local battalion) in a camp

2 But the proposition that there is to be no extra cost is not correct.
The question whether Military Deptt should not be taken
into consideration and the Govt saved money in view
to additional Asst Supdt a year. The question
may have to be decided on this account.

3 There is also the personal question of Mr Bafna
who has been coming before Govt in some form or
another a number of times. He is a senior inspector
about 50 years old who has done very good work in the
deptt and been well reported upon. He was once
to Govt's notice been sent. It is a matter for consideration whether
the post he is holding in the Asst Deptt may not be counted
with that of an Asst Supdt at a personal cost. The
additional cost will be comparatively little and there is
hardly any chance of his rejoining to the Military Deptt.

4 The proposal will involve file to make
the offer to Mr Ramchandra Rangnath Rao Kamath after
security etc and let this about not appear his name in the
deptt in respect of regular offer will be made

The third proposal is to convert the post of Veterinary Inspector which Mr. Bapu is holding in the Forest Department to that of an Assistant

17 Leaving apart the question of forming Bangalore District into an independent Veterinary Division which is proposed to be deferred, the proposals are:-

(1) Filling up the vacancy of the post of Assistant Veterinary Superintendent caused by the retirement of Mr. R.M.Patankar.

(2) Confirmation of Mr. K. Ranganatha Rao, Supernumerary Assistant Superintendent.

(3) Appointment of Mr. S.R.Bapu, Veterinary Inspector, as Assistant Veterinary Superintendent, in the Forest Department.

18 My opinion on the above proposals ~~are~~ as follows:-

(1) The number in the permanent cadre of Assistant Superintendents of the Department is four. One of the permanent men, viz., Mr. R.M.Patankar has since retired and there is a permanent vacancy. A fifth post of an Assistant Superintendent for the Military Department hhat had been made permanent in 1936 has since been retrenched and the officer

Serial No.

who has reverted to the Veterinary Department is proposed to be appointed in the vacancy that has occurred by the retirement of Mr. Patamkar.. This appointment may be sanctioned.

29 (2) Mr. K. Ranganatha Rao is a supernumerary Assistant Superintendent for over 9 years and the appointment as such continues till the end of June 1938. In my note dated 2-10-1936 on the question of making this officer permanent I said that the need for making his post permanent may be considered at the time of the expiry of the present period of sanction, viz., June 1938, if he was not absorbed in a regular vacancy in the meanwhile.. He has not been absorbed so far in a regular vacancy and the one vacancy that has occurred has been set off by absorbing a permanent officer reverted from the Military Department. It is now proposed (in the linked file) that in lieu of the fifth post retrenched in the Military Department the post held by Mr. Ranganatha Rao may be made permanent.. This means the creation of an additional post on personal grounds and is therefore not acceptable. He may continue as supernumerary as at present.

30 The third proposal is to convert the post of Veterinary Inspector which Mr. Bapu is holding in the Forest Department to that of an Assistant Superintendent

NOTE—Contn. Sheet.

on personal grounds... On the last occasion the proposal was to appoint him as acting Assistant Superintendent in a leave vacancy in the Veterinary department and to retain him in the Forest Department. This proposal was approved as it was only a temporary measure and it was pointed out in my note dated 12th January 1937 (C.V. 38-36-1to 11) that such an arrangement could not be made permanently as it would involve extra expenditure in the Forest Department which should be avoided by posting thereto a junior officer. The present proposal to convert the post itself to that of an Assistant Superintendent is financially objectionable for the same reason. If Government however consider it necessary to raise the status of Mr. Bapu to that of an Assistant Superintendent on personal grounds, it has to be done as a special case so long as Mr. Bapu stays in the Forest Department provided the Chief Conservator also agrees to this and could find funds and provided also that such an arrangement does not increase the number of posts of Assistant Superintendents in the Veterinary Department.

Recommend accly early

Sir,

With reference to Government Order No. G.1654-5 Mily.103-36-8 dated 18th August 1937, ordering the reversion of Mr. N.R. Srinivasa Iyengar, Assistant Superintendent from Military Department to the Civil Veterinary Department and interalia indicating therein, the issue of separate orders for the utilisation of the services of this Officer in the proposed formation of Bangalore District into an independent Division, I have the honour to state that in accordance with the Government Order, Mr. N.R. Srinivasa Iyengar has reverted to this Department and has gone on one month's leave from the date of report (14th instant).

The question of formation of eight Veterinary Divisions, one for each District, is being pressed from year to year since 1936 and the urgent need for the same is explained in detail in my No.H.A.197-324/35-36 dated 16th January 1936 and 7th February 1936 and H.A.17-60/36-37 dated 21st July 1936 and the Government have been pleased to recognise the need of one extra Division as a first step, as indicated in the Government Order adverted to above, on your recommendation.

The work and the responsibilities of these Divisional Officers have increased enormously in view of the Live Stock Improvement operations imposed on these officers and propaganda undertaken. The increase in the number of Disease Boards in each Division has also added much

the

the Assistant Superintendents can hardly find time to conduct detail inspections of these Institutions even once a year. Bangalore and Mysore District Head-quarter Hospitals exact arduous duties and responsibilities and continued absence of the Assistant Superintendents from these Institutions, on account of their tours in their present unweidly areas, will be detrimental to the efficiency of these premier Institutions. Hence, I strongly recommend the formation of Bangalore and Mysore Districts into separate units and suggest that the designation of these Assistant Superintendents be changed as 'District Veterinary and Live Stock Officers'. They will be directly in charge of the District Head-quarter Institutions in addition to the supervision work in the Districts.

This necessitates the regrouping of the remaining Districts as follows :-

Tumkur Division	(Tumkur and Kolar Districts.)
Shimoga Division	(Shimoga and Chitaldrug Districts.)
Kadur Division	(Kadur and Hassan Districts with Head-quarters at Chikmagalur.)

The designation of the remaining Assistant Superinterdents may also be changed as Divisional Veterinary and Live Stock Officers. They will be in direct charge of the Divisional Head-quarter Institutions.

As regards financial position, only there will be comparative increase and decrease under major heads Agriculture 27 (4) and Military respectively, but there will be no increase in expenditure in the general budget. The formation of the new Division will not involve any extra cost, as the Officer released by the Military Department will be absorbed in the new Division and the required ministerial and menial staff of the Division, except two peons, will be arranged from the distribution of the existing staff. The cost of the two new peons that will have to be entertained in the formation of the new Division, as also the cost of appointing a Mali to each of the two Hospitals at Bangalore and Mysore for maintaining the Hospital garden which is absolutely necessary, will be met out of the savings under Charge Allowance of five District and Divisional Head-quarter Hospitals, as the District Veterinary and Live Stock Officers will be directly in charge and will not be eligible for

any

any Charge Allowance. Thus this proposal will only entail adjustment of existing staff with an additional Division for better efficiency of service, not involving any extra cost. The proposition statement enclosed, explains the financial position clearly.

This proposal will enhance the prestige of the Department, increase the efficiency and usefulness of the major Institutions at Bangalore and Mysore, increase quality and quantity of the daily work turned out in them, besides disseminating practical methods of improvements of Live Stock in the interior of Districts, thus creating confidence to the Stock owners and ryots.

I therefore request you to be pleased to kindly recommend the formation of a fifth Division to Government very strongly.
